CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR TRIPATHI

ORAL JUDGMENT

Date: 17-12-2015

A counter affidavit has been filed on behalf of the respondent
authorities of the Health Department, Government of Bihar.

The issue relates to non-appointment of the petitioner on tenure post
of Senior Resident in the Medical Colleges and Hospitals of the State of Bihar.

What ever has been asserted in the writ application is not required to
be taken note of in view of the stand of the respondents in the counter affidavit
where they do accept in para 6 that petitioner was wrongfully excluded in the
final merit position as less merit point was given to him. This position now stands
rectified and the authorities expect to take a decision in this regard as a follow-up
measure very soon.

Writ application stands disposed of with a direction upon the Principal
Secretary, Department of Health, Government of Bihar that the corresponding
notification in relation to the petitioner must be issued within a period of four
weeks from today.

It is clarified that since it is a tenure post, therefore, the tenure of the petitioner will run from the date of notification/joining of the petitioner.
