CORAM: HONOURABLE MR. JUSTICE SHIVAJI PANDEY

ORAL JUDGMENT

Date: 06-02-2015

Shivaji Pandey,J

Heard counsel for the petitioners and the respondents.

All these four cases arise out of common dispute and hence they are being disposed of by this common order.

The case has checkered history as the litigation is going on since 2000. This Court feels that the resolution of the dispute is still far away in view of the counter affidavit filed by the IOC from where it emerges that even the 2nd merit list itself has been shown defective one on the ground of giving marks applying wrong method.

The short facts of the case is that on 9th May 2000, a notice was published for appointment of dealer of kerosene oil at Jalalpur in the district of Saran. A further advertisement was issued on 1st November 2000 for the same. In pursuance thereof, parties to the writ applications applied. Petitioner Satyendra Narayan Singh of CWJC No. 17795 of 2011 was given an interview letter for appearance in the interview accordingly, the petitioners appeared in the interview on 17th November 2003 and produced all the supporting documents, such as lease deed for 30 years for 6 katha, 1 dhur and TDR of Rs.5,00,000/- (five lacs) and also the owner book of Truck, including the educational qualification.

The Interview Board published the result, in the merit list, Ajay Kumar Singh was shown at sl. No.1 and thereafter Satyendra Narayan Singh, Hem Narayan Singh, Umeshwar Prasad Sinha and Arun Kumar Rai were shown at sl. Nos. 2, 3, 4 and 5 respectively.

As per claim of the petitioners, on 16th November 2003, Satyendra Narayan Singh had filed complaint raising a grievance of applying wrong method in granting marks to the candidate s.

On 29th September 2004, IOC issued letter to Satyendra Narayan Singh asking him to furnish the details about his complaint and, accordingly, he supplied the same on 14th October 2004 but no decision was taken. Ultimately,

petitioner Satyendra Narayan Singh moved this Court in CWJC No. 13278 of 2003 which was disposed of on 23rd September 2005 with a direction to dispose of the representation of Satyendra Narayan Singh. Accordingly, the representation of Satyendra Narayan Singh was disposed of and IOC vide order dated 17th February 2010 cancelled the panel.

Against that Ajay Kumar Singh filed CWJC No. 14033 of 2010 in which Satyendra Narayan Singh had filed I.A.No. 7598 of 2010 for intervention which was allowed on 27th August 2010.

Satyendra Narayan Singh filed an application to issue LOI in his favour on the ground that the marks granted to Ajay Kumar Singh was wrong and as he was the 2nd person in the merit list, should be given the licence. The IOC did not oblige Satyendra Narayan Singh rather vide letter dated 9th August 2010 asked the parties to appear in fresh interview.

On 2nd September 2010 Ajay Kumar Singh and Satyendra Narayan Singh appeared in the interview and Satyendra Narayan Singh filed CWJC No. 14562 of 2010 challenging the fresh selection. Ajay Kumar Singh had also challenged the selection vide CWJC No. 14033 of 2010, the order was passed on 1st September 2010 to the effect that final result will be subject to result of the writ petition.

On 3rd September 2010, a second panel was prepared in which Uma Shankar Singh has been shown at the top, Mohan Prasad Gupta at sl. No.2 and Gajendra Kumar Sinha at sl. No.3. That has been challenged by Ajay Kumar Singh in CWJC No. 10585 of 2011.

Ajay Kumar Singh has challenged the result and on the ground that he was shown at sl. No.1 at the 1st interview, the manner and scale has been applied in granting marks itself is wrong and Satyendra Narayan Singh also

challenged the same in CWJC No. 17795 of 2011 raising objection in the manner marks has been awarded to the parties, but it's not the end of the matter.

From the counter affidavit of the IOC it appears that again the Selection Committee committed a mistake in granting marks as it has been mentioned hereinbelow:

“Before submitting our counter affidavit, it was decided to check the mark sheet of the interview held in 2010 to find out as to why the candidates empanelled in the earlier merit list could not make to the new merit panel. During the course of this check it was found that the 2nd interview committee had also made some mistakes in awarding marks.

- 1) Parameter “Banker’s Certificate for credit worthiness” 5 marks were to be allotted if a candidate had submitted a certificate from a Bank and 0 marks if he/she had not done so. It is observed that the committee had awarded marks to candidates who had submitted filled in “Self Undertaking” as per Annexure-2 of the application form, which is incorrect as per guidelines.

In some cases, they have awarded marks between 0 and 5, i.e. 2.8 or 4.2 etc. whereas it should have been either 0 or 5.

- (2) Marks were not awarded correctly to the first and the second empanelled candidates for the parameter “Other assets”. Both were marked 0, whereas they should have

got 5 marks.”

It also appears from the counter affidavit that the application was filed by Ajay Kumar Singh to the Committee of Petition and there direction was given for issuance of LOI to Ajay Kumar Singh and the Corporation has submitted its report and pointed out the illegality committed in giving marks.

It has been submitted by the counsel for the petitioners that the Hon'ble Single Judge in CWJC No.11985 of 2006 (Rambha Sinha v. Union of India and others) along with CWJC No. 11447 of 2006 (Ajay Kumar Singh v. The Union of India and others) (Annexure-8) has given direction to the IOC to implement the recommendations of the Parliamentary Petitions Committee.

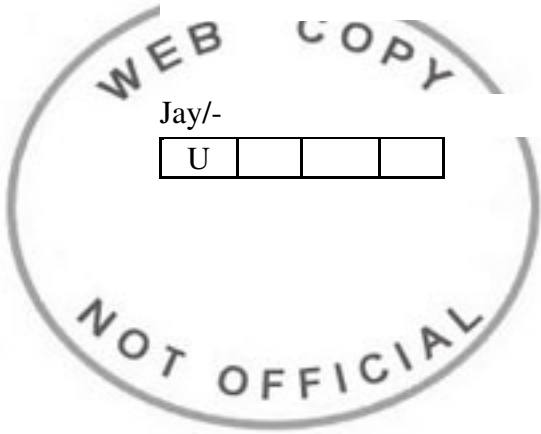

That was challenged in LPA No. 744 of 2008 and LPA No. 745 of 2008 and the order was set aside and the matter was again remanded back to the IOC.

In such view of the matter, when there is no chance of resolution of the dispute in near future and parties are also agreeable for fresh advertisement for resolution of dispute, only their prayer is that if a fresh advertisement is published, if need be, they should be given the benefit of age relaxation.

In view of the submissions made by the parties, the IOC is directed to issue a fresh advertisement inviting application from the desirous candidates with regard to appointment of distributor at Jalalpur in the district of Saran giving benefit of age relaxation only to the petitioners to participate in the interview and selection would be made in terms of new circular issued from time to time.

It is desirable that in the ends of justice, the IOC should initiate the process of selection as early as possible, preferably within six months.

With the above observation/direction, these writ petitions are
disposed of.
