**CORAM: HONOURABLE DR. JUSTICE RAVI RANJAN**  
**ORAL ORDER**

2      22-06-2015                      Learned counsel for the petitioner is permitted to implead the Director, Indian Institute of Technology, Patna as respondent no.6.

I have heard learned counsel for the petitioner and learned Additional Solicitor General of India who has appeared for the respondents.

The petitioner seeks direction to the respondent authority to pay the balance admitted amount which comes to a sum of Rs.2,98,993/- as per his claim.

It is contended that in view of the work order given to him for construction of Gymkhana, after completion of

construction, the petitioner submitted the bill of an amount of Rs.29,89,931/-. However, the aforesaid amount of Rs.2,98,993/- has not been paid as yet though while making deductions for the purpose of Income Tax as would appear from Form No.16A appended with the writ petition, total amount of the bill has been considered.

In above view of the matter, this Court would be inclined to dispose of this writ application granting liberty to the petitioner to approach the respondent no.6,i.e., the Director, I.I.T., Patna by filing a detailed representation in this regard along with a copy of this order. If such representation is filed, let the Director take a decision by passing a reasoned order within a period of six weeks from the date of its filing. If some amount is found admitted to be paid in favour of the petitioner then such payment should be made within further period of four weeks failing which the admitted unpaid amount would carry simple interest @ 10% per annum to be calculated from the date it became due till the date of its final payment.
