CORAM: HONOURABLE MR. JUSTICE MIHIR KUMAR JHA
ORAL ORDER

4 23-07-2015 Heard learned counsel for the parties.

Having regard to the fact that the petitioner, despite being
given an opportunity in the order dated 26.6.2015 to restore his
matrimonial relationship with his wife, opposite party no.2, has not
done so, this Court will have no difficulty in now coming to a
conclusion that he has a definite intention of harassing his wife.

That being so, the petitioner, facing allegation for offence
under Section 498A of the Indian Penal Code and being the husband, is
not entitled for privilege of grant of anticipatory bail.

Accordingly, the prayer for anticipatory bail of the
petitioner, namely, Md. Jamil is hereby rejected.
