**CORAM: HONOURABLE MR. JUSTICE RAKESH KUMAR**  
**ORAL ORDER**

6      31-08-2015                      Heard learned counsel for the petitioner and learned counsel for the Respondent/ Employees Provident Fund Organisation.

The petitioner after loss of his claim before this Court against order of assessment, review as well as order of the appellate court has again approached this Court by filing the present writ petition with a plea to direct the Respondents to consider his representation dated 30.10.2012 for re-assessing the amount payable by the petitioner.

It is evident that earlier after the order of assessment, rejection of review petition as well as rejection of appeal by the appellate authority, the petitioner had approached this Court by

filing C.W.J.C. No.5070 of 2011, which was dismissed by a Bench of this Court on 10.10.2012 considering all the facts and circumstances. Once the writ court has already adjudicated on the issue, there is no point to entertain a separate writ petition.

The writ petition stands dismissed.
