ORAL ORDER

2 16-12-2015 Heard both sides.

The petitioner filed this petition for cancellation of bail granted to opposite party Nos. 2 to 4. Opposite Party Nos. 2 to 4 were granted bail vide order dated 15.09.2015 passed in Cr. Misc. No. 41725 of 2015.

It is submitted that the deceased got one injury on her occipital region. There is allegation that opposite party Nos. 2 to 4 and others have assaulted the deceased on account of such the deceased died but it appears that the bail was granted after considering the fact that opposite party Nos. 2 to 4 are father-in-law, brother-in-law and mother-in-law of the deceased and there is

no specific allegation against them. The deceased died after six years of her marriage. The doctor found the death due to asphyxia and one injury was found on head but no haematoma was found beneath the injury and that injury did not contribute in causing the death.

Considering the fact that opposite party Nos. 2 to 4 are in-laws of the deceased, I do not find any merit in the petition for cancellation of bail. Accordingly, the same is rejected.
