CORAM: HONOURABLE MR. JUSTICE RAKESH KUMAR
ORAL ORDER

.....

3 01-04-2015 After some argument, learned counsel for the

petitioner, in presence of learned AC to GA-1, makes a prayer for

disposal of the present writ petition, so that the petitioner may

approach the competent authority for the relief sought for in the

present writ petition.

The Court expects that if such representation is filed by

the petitioner before the Chief Engineer, Water Resources

Department, Purnea within eight weeks from today, the Chief

Engineer, Water Resources Department may examine the same

and pass appropriate order in accordance with law preferably

within a period of three months from the date of filing of such

representation.

It is made clear that if the Chief Engineer, Water Resources Department finds the claim of the petitioner as genuine, he may pass appropriate order for making payment of the claimed amount of the petitioner without any delay.

With above observation and direction, the writ petition stands disposed of.
