CORAM: HONOURABLE MR. JUSTICE GOPAL PRASAD
ORAL ORDER

2 24-06-2015 Heard the learned counsel for the petitioner
and the Bihar State Electricity Board.

This is a petition for quashing the first
information report alleging therein that the
electricity was being consumed by illegal means
taking the LTC line and the electricity was being
supplied to the tower of Vode Phone.

The learned counsel for the petitioner,
however, preferred a criminal miscellaneous petition,
being Cr. Misc. No. 19597 of 2014, for anticipatory
bail, in which it has been observed that if the
petitioner files personal affidavit stating his intention
and deposits the amount as per procedure
prescribed, then, the authority, concerned, in the
event of filing of such application, no coercive action

shall be taken against the petitioner for six weeks. However, the petitioner has not deposited the amount though order has been passed on 23.07.2014.

The learned counsel for the petitioner submits that it is covered under Section 126 of the Electricity Act.

However, having regard to the allegation, it is not a fit case and I do not find any merit in this case.

This petition is **dismissed**.
