CORAM: HONOURABLE MR. JUSTICE SHIVAJI PANDEY
ORAL ORDER

8 07-12-2015 No one appears on behalf of the petitioner. The
counsel for the State is present.

The present application has been filed making
allegation of violating the order dated 18th August 1997 by which
the Court has granted the relief of status quo.

In the show cause, it has been mentioned that the
appointment of the petitioner was illegal, as while making
appointment, none of the provision for proper appointment has
been followed by the authority concerned and so much so that the
petitioner was out of service after 31st December 1996 so the

complain made by him that he has not been allowed to work and paid salary does not arise.

Having considered the statements made in the writ application as well as in paragraph 5 of show cause, this Court find that no case of contempt is made out against the respondents. Accordingly, this petition is dismissed.
