ORAL ORDER

5 20-03-2015 The learned counsel for the petitioner states and is not disputed by the learned counsel for the State, that the suspension order, which was challenged in this writ application, has been recalled.

The learned counsel for the petitioner states that for the period of suspension he has not been paid his full remuneration, and even after revocation of suspension, he has not been paid any remuneration. Unfortunately, those pleadings are not in the writ

application; no direction can be issued. But, it is for the authorities to consider once suspension has been revoked, payments have to be made, unless there is an order passed by competent authority for any reason to withhold payment.

With this observation, this writ application is disposed of.
