CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR

ORAL ORDER

3 27-01-2015

Heard both sides.

The petitioner seeks bail in a case registered under section 302 and other allied sections of the Indian Penal Code.

The informant, daughter in-law of the deceased alleged that all the accused persons came and assaulted her mother-in-law.

Learned counsel for the petitioner submits that the informant alleged that the petitioner Meghraj Yadav assaulted the mother-in-law of the informant with butt on her chest. But she in her further statement has made omnibus and general allegation against all the accused persons. The son of the deceased has further stated that his mother fell down and got

injuries resulting into her death. On perusal of the record it appears that the informant has made very specific allegation that the petitioner assaulted the mother-in-law of the informant with butt of rifle on her chest. On perusal of the postmortem report it appears that ribs of the deceased were fractured causing injury in chest and lungs. Of course other accused persons have already been enlarged on bail but since there is specific allegation against the petitioner, I am not inclined to enlarge the petitioner on bail. The prayer for bail is rejected.

However, the trial court is directed to expedite the trial and conclude the same within nine months from the date of receipt of a copy of this order. If the trial is not concluded within the stipulated time the petitioner may renew his prayer for bail firstly before the trial court.
