CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR JHA
ORAL ORDER

4 10-03-2015

Heard both sides.

Petitioner no. 4, Jagdish Pandit, apprehends his arrest in a case under Section 304(B) and other sections of the Indian Penal Code.

The informant made allegation that his daughter was married to the petitioner no. 4 in the year 2012 and thereafter her husband and other in-laws started subjecting her to physical and mental torture and ultimately they killed her and disposed off her dead body hurriedly.

Learned counsel for the petitioners submits that the petitioner no. 4 is the husband of the deceased. Other accused persons have already been granted anticipatory bail. The wife of the petitioner no. 4 died as she was suffering from jaundice. The

informant has also compromised the case and disclosed the fact that later on he came to know that his daughter died of illness.

On perusal of the record, it appears that the informant made a specific allegation that within two years of marriage of his daughter, his daughter was done to death by her husband and other in-laws. During the course of investigation, almost all the witnesses have stated the same fact. The petitioner no. 4 is the husband of the deceased.

Considering the facts aforesaid, I am not inclined to enlarge the petitioner on anticipatory bail in Tisiauta P.S. Case No. 33/14, arising out of Complaint Case No. 901 of 2014. Accordingly, the same is rejected.
