CORAM: HONOURABLE MR. JUSTICE MIHIR KUMAR JHA
ORAL JUDGMENT

2 24-03-2015 Heard learned counsel for the parties.

Having regard to the fact that there seems to be hardly any controversy as with regard to the entitlement of arrears of family pension for the period from April-2009 to 19.02.2012, when the mother of the petitioner, who was receiving the family pension upon the death of the father of the petitioner was subjected to an objection of the office of the Accountant General and that such

objection is also now been sought to be clarified by the office of the Accountant General itself, this Court would direct the competent authority as well as respondent nos. 2 to 7 to ensure that the balance amount of arrears of family pension of the mother of the petitioner must be paid to the person who is the uncontroverted legal heir/representative of the mother of the petitioner.

In this regard, this Court can only add that the authorities of the State Bank of India would be also under obligation to release the amount of arrears of family pension on being satisfied with the execution and furnishing of the indemnity bond by the petitioner if he is the only uncontroverted legal heir/representative of his mother.

With the aforementioned observation and direction, this application is disposed of.
