ORAL ORDER

2 12-03-2015

Heard both sides.

The petitioners apprehend their arrest in Adhaura P.S. Case No. 21 of 2014 registered under section 307 and other allied sections of the Indian Penal Code.

The wife of Sikandar Agariya alleged that she was tied and brutally assaulted by the petitioners along with her husband. Fire was also kept in front of the informant. The accused persons were making allegation that the informant developed illicit relation with some one else.

Learned counsel for the petitioners submits that the petitioners are villagers and not at all related with the

informant and her husband. The date of occurrence is 19.05.2014 but the first information report was lodged on 16.06.2014 after about a month. On perusal of record it appears that it is a rare case in which the informant herself alleged that how brutally she was tied upside down and brutally assaulted by her husband and the petitioners. In front of her fire was also kept making allegation that she had developed illicit relation with some one else.

Considering the aforesaid facts, I am not inclined to enlarge the petitioners on anticipatory bail. The same is rejected. Petitioners if so advised may surrender and seek regular bail.
