CORAM: HONOURABLE MR. JUSTICE KISHORE KUMAR MANDAL
ORAL ORDER

2 16-09-2015

Neither the Counsel for the petitioners nor the
counsel for the respondents is present.

The writ application has been filed for the following
relief as culled out in paragraph 1:-

“That, this application is filed for issuance of writ/order/directions commanding the respondent 1st set to hand over possession over the piece of land situated at Mauza- Jagatpur bearing Khata no. 508(old) Plot no. 5907 area admeasuring 8 kathas 1 Dhur, circle and Block Office and P.S.- Rahika District Madhubani from the illegal possession of Respondent 2nd set to the petitioners and any other reliefs for which the petitioners found entitled to.”

I am afraid any such relief can be granted by the Writ
Court, particularly, when the matter was agitated before the
Deputy Collector Land Reforms under the provisions of the Bihar
Land Dispute Resolution Act, 2009 unsuccessfully by the

petitioners.

The writ application is dismissed. Dismissal of this application shall, however, not preclude the petitioners from ventilating their grievance raised in this application or against the order passed by the Deputy Collector Land Reforms before appropriate authority/forum in accordance with law.
