CORAM: HONOURABLE JUSTICE SMT. ANJANA MISHRA
ORAL ORDER

3 20-05-2015 Heard learned counsel for the petitioner, the learned
counsel for the informant and the learned counsel for the State.

The petitioner is apprehending his arrest in connection
with Nawada Town P.S. Case No.186 of 2014 for allegedly
having committed the offences under Sections 364A, 120B/34
and 302/201 of the Indian Penal Code.

Learned counsel for the petitioner submits that though
the petitioner is not named in the F.I.R., his name has surfaced
only on the confessional statement of one Narendra Singh, his
own son Pankaj Kumar @ Pappu and one accused Mokthar
Ansari. It is submitted that such a confessional statement made
before the police has no evidentiary value and, therefore, the
petitioner cannot be made accused in the present case. However,

learned counsel for the informant has stated that it is not just a confessional statement which can be given a go-by because on the basis of such statements made by the three accused persons, the dead body of the deceased Vipin Kumar was recovered and further also on the basis of their statements, blood-stained clothes and other materials were also recovered.

Learned counsel for the State has also referred to several paragraphs of the case diary, which clearly indicate and point out to the complicity of this petitioner in connection with the present occurrence.

In view of the fact that there are much cogent materials in the case diary, I am not inclined to grant anticipatory bail to the petitioner. The criminal miscellaneous application is, accordingly, dismissed.
