CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR TRIPATHI

ORAL JUDGMENT

Date: 19-02-2015

Heard the parties.

No relief can be granted to the petitioners in view of the fact that it was the State of Bihar, which was at fault in not completing the admission of the students within the time and completing the course for the semester system well in time to enable conduct of examination, which was to be held in the month of February, beginning 9th of February, 2015. Whatever allegations and hype, which has been created in the writ application, does not

indicate the correct state of affairs.

The Central Government cannot be blamed for not ensuring adequate number of question papers and answer-sheet for conduct of examination of such students of the State of Bihar because no purpose would be served in holding examination, if they have not completed their course in time. Petitioners are free to sue the State of Bihar for their negligence but no direction can be given for holding examination.

Writ is dismissed.
