ORAL JUDGMENT

Date: 31-07-2015

As per the counter affidavit, especially para 4, total liability running against the consumer has now added up to Rs.4,83,94,192.00 for which a certificate case has also been initiated, which is Certificate case No.195 of 2012-13.

Though steps were taken up for grant of remission and also for compliance with the order of the Consumer Grievance Redressal Forum but the petitioner did not cooperate in letter and spirit, therefore, remedial measure to protect the interest of Power Holding

Company has been taken.

Writ application stands disposed of.

No interference is warranted with the action so initiated because petitioner will have now to defend his interest before other forums.
