CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR TRIPATHI

ORAL JUDGMENT

Date: 10-09-2015

Heard learned counsel for the parties.

Writ application is dismissed.

Annexure-12 does not require any interference because the direction of the Secretary is unambiguous that it will be the In-charge Principal, who must be handed over all the documents indicated therein. Petitioner is only a member of the so-called Ad hoc Committee and if the petitioner is claiming a right by virtue of some arrangement earlier, which was not a substantive arrangement, then he has to make way for the In-charge Principal, who is at command.

Writ application is dismissed because there cannot be two centres of power especially when the existence of the petitioner itself is under a cloud as is the stand of the private respondent no. 5.
