ORAL JUDGMENT

Date: 23-04-2015

The order of transfer under challenge is dated 20th of September, 2008. Seven years have already gone past. For all practical purposes, therefore, writ application should be treated to have become infructuous. It is left open to the respondents to take a fresh decision with regard to the place of posting of the petitioner, if the petitioner has not already been transferred again because there does not seem to be any order of restraint passed at any stage.

Writ application is disposed of in terms of the above.
