CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR TRIPATHI

ORAL JUDGMENT

Date: 30-04-2015

The order of punishment of Censure, which amounts to one black mark, was awarded to the petitioner. Annexure- 4 indicates the circumstances under which such a punishment came to visit the petitioner. The petitioner was lucky that he got away lightly by imposition of one black mark, which ultimately did not come in his way of promotion as Dy.S.P. He has superannuated years ago and object and purpose for challenging the order of punishment is now to get some right of retrospective promotion etc. These are far fetched kind of expectation to have when the authorities have been liberal enough to regularize his long absence as well as condone his

conduct of missing before the crucial general election from the scene of activity and responsibility which prima facie may indicate that he was a shirker.

Writ has no merit. It is dismissed.
