CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR TRIPATHI

ORAL JUDGMENT

Date: 02-04-2015

A K Tripathi, J. Nothing further is required to be added over and above the reasons for termination of the contract and to work as ANM.

2. The fact is evident from reading of the impugned order that on verification from the Nurses Registration Council it was found that all the certificates with regard to training or otherwise have been found to be fake. That is good enough reason for this Court to dismiss the writ application and not interfere with the decision.

3. State has only reiterated the position with supporting materials in this regard, which led to passing of the order in question.

4. Similar writ applications have already been dismissed by this Court earlier after giving opportunity of hearing to the parties.

5. Writ application is dismissed.
