CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR TRIPATHI

ORAL JUDGMENT

Date: 06-10-2015

The Court does not want to go into the muckraking between the petitioner and other respondents especially when the petitioner is not a permanent government servant under the State but a contractual appointee.

It will be in the interest of the petitioner as well to move away from the present place of posting where there is obvious a clash of interest and egos between the superior authorities and the present petitioner. Let the petitioner render service at the transferred place of

posting. The Court will not interfere with the order of transfer because he cannot be equated at par with the permanent government servant and all the protections available to them are not available to the present petitioner.

Writ is dismissed.

(Ajay Kumar Tripathi, J)
