CORAM: HONOURABLE MR. JUSTICE KISHORE KUMAR
MANDAL
ORAL ORDER

4 02-12-2015 Heard Mr. Paswan for the petitioners and the counsel
for the State.

This contempt application raises a grievance that the
order dated 12.02.2015 passed in CWJC No. 2635 of 2015 has not
been complied with by the opposite parties. This Court had
directed the petitioners to make an application raising the
grievance before the District Land Acquisition Officer, Kaimur at
Bhabhua who was directed to consider the said grievance of the

petitioners and pass appropriate order.

In the show cause filed on behalf of the opposite party No.2 a copy of the order dated 22.06.2015 passed by the District Land Acquisition Officer, Kaimur at Bhabhua has been enclosed. It appears therefrom that the District Land Acquisition Officer found that 35 decimal of land of the petitioners was acquired. They are entitled to payment of compensation thereof. With regard to the remaining land further enquiry was to be made. Having held so and directing the concerned authority to make payment of compensation of the said land to the petitioners, the representation of the petitioners was disposed of.

The contention of the petitioners is that the amount of compensation which was directed to be paid to the petitioners under order 22.06.2015 has not till date been paid.

Counsel for the State submits that the amount is lying with the Project Director/Senior Project Engineer of the Bihar State, Bridge Construction Corporation Ltd. Patna.

On going through the statements made in the show cause, it appears that the District Land Acquisition Officer, Kaimur at Bhabhua, in the light of the order of this Court, considered the application of the petitioners and passed an order. The command of the Court issued in CWJC No. 2635 of 2015 has

been complied with. If the petitioners have not been paid the amount of compensation as per the order dated 22.06.2015, it will be the duty of the Project Director or the Senior Project Engineer of the Corporation to pay the same. If any deficiency in discharge of such duty is found, it will be open to the petitioners to seek appropriate relief against those officers in accordance with law.

The contempt application stands disposed of.
