CORAM: HONOURABLE DR. JUSTICE RAVI RANJAN
ORAL ORDER

13 25-03-2015

Heard learned counsel for the petitioners and the State.

Learned counsel for the State has submitted that the petitioners have already got the wages till October, 2014. Further payment would be made after necessary allotment having been made.

In my view, a mechanism should be developed by

the authority concerned for payment on monthly basis if they are taking work from the petitioners.

In view of the final order having been passed in compliance of the earlier of this Court, this proceeding cannot continue and is, accordingly, dropped. However, if the petitioners are aggrieved by the decision taken and if they claim that calculation done by the authorities are wrong, they, if so advised, would have liberty to assail it before the appropriate forum.
