ORAL ORDER

7 06-08-2015

Heard both sides

The petitioner seeks bail in a case under Section 302
and other sections of the Indian Penal Code.

The informant alleged that he married his daughter
with the petitioner but the petitioner was in the habit of torturing
his wife and ultimately killed her and concealed her dead body.
The informant with his brother came to Village Basudeopur where
his daughter was found dead. Learned counsel for the petitioner
submits that during the course of investigation, most of the
witnesses have stated that the deceased fell ill and she died while
she was under treatment. The witnesses in Paras 41, 42, 43 of the
case diary disclosed that some verbal altercations took place
between the husband and the wife for plastering of a wall and the
petitioner is said to have slapped his wife and his wife consumed

poison. The police, after investigation, submitted chargesheet under Section 306 of the Indian Penal Code.

Having considered the facts that the petitioner assaulted his wife and she was driven to commit suicide and the dead body of the deceased was hurriedly cremated, I am not inclined to enlarge the petitioner on bail at this stage in Begusarai Mufassil P.S. Case No. 335 of 2014. Accordingly, the same is rejected.

The trial court is directed to expedite the trial and conclude the same within six months from the date of receipt / production of this order. If the trial is not concluded within the aforesaid period, the petitioner may renew his prayer for bail firstly in the trial court itself.
