CORAM: HONOURABLE SHRI JUSTICE DHARNIDHAR JHA
ORAL ORDER

4 09-07-2015 Heard.

Allegations appear serious and further appear supported
so much so that the story of the attempted killing of the
complainant while the petitioner was working in a brick-kiln
whereupon he was ousted from the brick-kiln and finding that he
was being found trying to eliminate the lady again thereafter,
discourages the Court to entertain the petition.

Petition appears meritless and the same is dismissed in
connection with Complaint Case No.921 of 2013 pending in the
court of SDJM, Nawada.
