CORAM: HONOURABLE MR. JUSTICE ASHWANI KUMAR SINGH

ORAL JUDGMENT

Date: 29-06-2015

This application under Section 482 of the Code of Criminal Procedure has been filed for quashing the order dated 5.4.2012 passed by the learned Principal Judge, Family Court, Jamui in Maintenance Case No. 31M of 2008 whereby the court below has awarded a maintenance of Rs. 1500/- in respect of opposite party no. 2 and Rs. 700/- in respect of her minor daughter under Section 125 of the Code of Criminal Procedure.

It would appear from the record that the petitioner has challenged the aforesaid order dated 5.4.2012 before this Court in a

revision application vide Criminal Revision No. 646 of 2012. While disposing of the aforesaid criminal revision, a Bench of this Court observed as under:-

“Considering the reasonableness of the quantum of maintenance, this Court is not persuaded to interfere with the order passed by the court below and this Criminal Revision application is accordingly disposed of.”

Since the petitioner failed to get any relief in the revision application, he has filed the instant application under Section 482 of the Code of Criminal Procedure before this Court.

In my view, the application is thoroughly misconceived. It is dismissed, accordingly.
