CORAM: HONOURABLE MR. JUSTICE NAVANITI PRASAD SINGH

ORAL ORDER

02 23-11-2015 The writ petition was disposed of with a direction to the

State to make payment of certain supplies made by the petitioner
and admitted by the State along with that for the delay in making
payment interest was also awarded by this review application. All
that the writ petitioner wants is that the interest amount should be
increased and penal interest be imposed and awarded.

This civil review application was dismissed earlier also

for non-compliance of peremptory orders. It has again been dismissed and the present M.J.C. application for restoration of the civil review application again has been filed for non-compliance of the peremptory order.

Under the facts aforesaid, I am not inclined to restore the civil review application as apparently the actions are not bona fide. Accordingly, this application is dismissed.
