CORAM: HONOURABLE MR. JUSTICE MIHIR KUMAR JHA
ORAL ORDER

2 08-09-2015

Heard learned counsel for the parties.

The moment this Court would find that both the order of dismissal and its appellate order have been passed in the State of Rajasthan where the petitioner was posted while serving Central Reserve Police Force, it has to be necessarily held that this writ application will not be maintainable before this Court as no part of cause of action has arisen within the territorial jurisdiction of this Court.

While, learned Additional Solicitor General wanted this Court to also justify the impugned order on merit but once this

Court would find that both the orders were passed in the State of Rajasthan, it would not like to make any observation on the merit of the case.

This application is, accordingly, held to be not maintainable in the Patna High Court but, then, nothing said in this order shall come in the way of the petitioner in approaching appropriate forum/court.

With the aforementioned observation, this application is dismissed.
