ORAL ORDER

4 05-05-2015

Heard both sides.

The petitioner seeks bail in Chanan P.S. Case No. 78
of 2014, registered for the offences punishable under Sections
302/34/120(B) of the Indian Penal Code.

The wife of the deceased alleged that her husband went
along with the petitioner but he did not return till 4pm. The
informant further disclosed that when her husband did not receive
the call she further called to the petitioner (Pappu Singh) at 7.30
pm and the petitioner disclosed that her husband was killed and his
dead body was thrown away in the river. On the same day the
dead body could not be searched due to night. In the next morning
the dead body of Gopal Singh @ Karu Singh, the husband of the
informant was found inside the river.

The inquest report shows that the deceased was killed by strangulation.

It is submitted that the post-mortem report shows that the deceased died due to drowning. No external injury was found.

It appears that the deceased was with the petitioner and petitioner himself disclosed to the informant that her husband was killed and thrown in the river from where the dead body of the deceased was recovered, I am not inclined to enlarge the petitioner on bail. Accordingly, the same is rejected.

The trial court is directed to expedite the trial and conclude the same within six months from the date of receipt of this order. If the trial is not concluded within stipulated period, the petitioner may renew his prayer for bail, firstly in the trial court.
