ORAL ORDER

2 01-09-2015 Heard learned counsel for the petitioner as well as

learned Additional Public Prosecutor for the State.

Petitioner happens to be husband of the deceased and
has been made accused in a complaint case for the offence
punishable under section 304B of the Indian Penal Code

The contention on behalf of the petitioner is that the
deceased had delivered a baby prior to her death but after delivery
of baby her condition started deteriorating and when she was taken
to hospital she died on the way. It is further contended by him that
the complainant and his family members gave threatening to
petitioner of dire consequences and thereafter immediately

petitioner gave information to police upon which one ASI inquired about the death of the deceased and found that the deceased died due to excess bleeding. It is further pointed out by him the post mortem on the corpus of the deceased was held and the post mortem report also corroborates this fact that deceased died due to excess bleeding.

Accordingly, let the petitioner, above named, be released on bail on furnishing bail bonds of Rs. 10,000/- with two sureties of the like amount each to the satisfaction of Additional Chief Judicial Magistrate, Patna city in connection with Complaint Case No. 226 of 2012.
