CORAM: HONOURABLE MR. JUSTICE RAKESH KUMAR
ORAL ORDER

12 19-01-2015 Heard learned counsel for the petitioner and learned AC
to Principal Additional Advocate General.

The present petition was filed with a prayer to initiate contempt proceeding against opposite parties on an allegation of willful disobedience to an order dated 25/01/2012 passed in CWJC No.22821 of 2011 whereby, while disposing of the writ petition this court had directed to conclude the departmental proceeding within a specified time.

In this case earlier show cause was filed and by filing

show cause by opposite party no. 5 it has been indicated that the petitioner was exonerated from departmental proceeding and period of suspension has been regularized vide notification dated 14/10/2014.

In view of facts and circumstances, particularly the fact that departmental proceeding which was earlier initiated against the petitioner has already come to an end, the Court is of the opinion that the order of the writ court has already been complied.

It was informed by learned counsel for the petitioner that in respect of other claim, the petitioner has filed a separate writ petition.

The petition stands disposed of.
