CORAM: HONOURABLE MR. JUSTICE KISHORE KUMAR
MANDAL
ORAL ORDER

2 08-07-2015 Heard both sides.

The petitioner apprehends his arrest in connection
with Sadar (Mufassil) P.S. case no. 98 of 2015, registered under
Sections 323,341,324 354,379,307/34 of the IPC.

The allegation is that the informant is the neighbour
of the petitioner. Her husband had gone to Delhi in connection
with job. It is alleged that while she was inside the house the
petitioner entered into the room and tried to molest her inasmuch
as she was disrobed. The wife and daughter of the petitioner also
came there and assaulted her on eye by iron rod.

Contention of the petitioner is that due to land
dispute and particularly flow of drain, there has been dispute as

earlier to this the father-in-law of the informant as well as father of the petitioner had purchased certain land. The wife and the daughter of the petitioner have been released on anticipatory bail.

Learned APP, on the other hand submitted that in absence of husband petitioner ventured to molest the informant.

Taking into account the allegations and the materials reflected from the records, I am not persuaded to release the petitioner on anticipatory bail. Prayer for bail is rejected.

Let the petitioner surrender and pray for regular bail before the learned Court below. In that event the Court below shall consider and dispose of the same on its own merit and pass appropriate orders uninfluenced by the present order.
