CORAM: HONOURABLE MR. JUSTICE MIHIR KUMAR JHA
ORAL ORDER

2 28-07-2015 No one appears for the petitioner. Learned counsel for the
respondents is present.

The father of the petitioner is said to have gone missing on
7.12.1990 and the petitioner after seven years of the date since his
father was missing had allegedly filed an application for
compassionate appointment and when the same was rejected, he
had filed a writ application, C.W.J.C.No. 11607/2004, which after
some argument was sought to be withdrawn in order to enable the
petitioner to seek departmental remedy. Thereafter the petitioner
claims that he had filed representation on 23.8.2007 but that was
also not attended to.

As would be apparent the family has been even without bread-earner for the last 25 years and now there will be no use in directing the respondents to consider the case of the petitioner, especially when the first writ application itself was found not maintainable before this Court.

That being so, this application is dismissed.
