CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR JHA
ORAL ORDER

3 28-04-2015 Heard both sides.

The petitioners apprehend their arrest in Bikram P.S.
Case No. 164 of 2011, registered for the offences punishable
under Section 302 and other Sections of the Indian Penal Code.

The brother of the deceased made allegation that on

account of property dispute, the petitioners burnt his sister to death and threw her dead body in a river.

Learned counsel for the petitioners submits that during the course of investigation, the police submitted final report finding the case false against the petitioners and found the case true only under Section 306 of the Indian Penal Code against Mallu Chaudhari the husband of the deceased. Thereafter, the court below took cognizance on perusal of the case diary against the petitioners.

There appears that the informant made allegation that the petitioners burnt his sister to death and her dead body was taken out from a river. There is no reason that, if the deceased committed suicide her dead body was thrown in the river.

Considering the facts aforesaid, I am not inclined to enlarge the petitioners above named on anticipatory bail. Accordingly, the same is rejected.
