CORAM: HONOURABLE MR. JUSTICE JYOTI SARAN

ORAL JUDGMENT

Date: 13-05-2015

Learned counsel for the petitioner is permitted to correct the vehicle number / registration number in C.W.J.C. No. 6442 of 2015.

Heard learned counsel for the parties. Since in each of these cases the relief prayed by the petitioners is identical hence they have been taken up together for analogous hearing and final disposal

with the consent of the parties. The petitioners in each of the writ petitions seek a direction to the Authorized Officer–cum-Divisional Forest Officer, Rohtas Forest Division, District-Rohtas at Sasaram under the Indian Forest Act, 1927, for provisional release of their respective vehicle pending adjudication of the confiscation proceedings.

In each of these cases the vehicle of these petitioners stands seized on grounds of alleged violation of the provisions of the Indian Forest Act and which has led to institution of the Forest Case / Police Case which are now pending consideration in respective confiscation proceedings before the Authorized Officer who happens to be the Divisional Forest Officer, Rohtas Forest Division, Rohtas. The contention advanced by the learned counsel for the respective petitioners is that keeping the vehicles under the open sky to face the vagaries of the weather would serve no purpose and would only turn them obsolete rendering them useless for any future use and which would benefit none rather it would only result in loss. Learned counsel for the respective petitioners have stated that the petitioners would not be creating any third party right nor they would alienate the vehicle pending disposal of the respective confiscation case and that they would produce the vehicle as and when required in the confiscation proceedings. It is also the contention of learned counsel

that release petitions have also been filed before the statutory authority but has remained pending in most of the cases and thus these writ petitions.

I have heard learned counsel for the parties and I have perused the materials on record.

As I have taken note of hereinabove, the vehicles of these petitioners stand seized on allegation of being loaded with illegally mined stone chips. Though learned counsel for the petitioners has tried to defend the load carried on each of the vehicles but considering that the matter is pending adjudication before the statutory authority, this Court would express no opinion thereon. However taking note of the circumstances that these vehicles are lying unattended under the open sky to face the vagaries of weather, this Court is of the opinion that allowing these vehicles to turn obsolete would benefit none rather it would only lead to losses and thus this Court would deem fit and proper to order for the provisional release of the vehicles subject to furnishing of supporting papers of ownership and security as deem fit and proper by the authorized officer and which release obviously would be subject to final outcome of the confiscation proceedings / criminal proceeding. In the circumstances discussed, this Court would direct the Divisional Forest Officer, Rohtas Forest Division, Rohtas cum Authorized Officer under the Forest Act, 1927 in seisin of the respective confiscation cases which are subject matter of the present proceedings to order for the release of the respective vehicles in favour of the petitioners within eight weeks of the receipt/production of a copy of the order subject to the fulfillment of the following

conditions.

- 
- (a) The petitioner shall produce all original papers supporting the ownership of the vehicle in question including the registration papers, the insurance paper, the tax token and the pollution certificate.
- (b) The petitioner shall file an undertaking in the form of an affidavit that he shall not alienate the vehicle or transfer the vehicle in favour of any third party during the pendency of the confiscation proceedings /criminal proceeding and shall produce the vehicle as and when required in the confiscation proceedings / criminal proceeding.
- (c) The petitioner shall furnish such security as deem fit and proper by the Divisional Forest Officer-cum-Authorized Officer, Rohtas at Sasaram which shall neither be in the form of cash nor bank guarantee; and
- (d) The release of the vehicle shall be governed by the final outcome of the confiscation proceedings / criminal proceeding.

With the observations and directions aforementioned, the writ petitions are allowed.
