ORAL ORDER

4 02-07-2015

Heard learned counsel for the parties.

Having regard to the nature of allegation for offence under Sections 147, 148, 149, 307, 323, 325, 342 and 504 of the Indian Penal Code and under Section 27 of the Arms Act and the fact that the petitioner is said to have caused fire arms injury which has been also found on the person of the injured by the Doctor in his injury report, this Court is not inclined to grant privilege of anticipatory bail to the petitioner merely because others named in the F.I.R. have been granted privilege of anticipatory bail. The fact that the allegation of causing first fire arms injury is against the petitioner which as noted above has been found to be substantiated in the injury report, his case stands on different footing from others.

The prayer for anticipatory bail of the petitioner is accordingly rejected. If the petitioner surrenders, his prayer for regular bail shall be considered on its own merits without being prejudiced anything said in this order.
