This is an application for release of the amount of Rs.22,323/- deposited by the Insurance Company.

The accident in question took place in the year 1999. More than 15 years have elapsed and the claimant is a male. Therefore, I see no reason why this amount should not be released in his favour.

Accordingly, it is directed that the amount which has been deposited by the respondent-Insurance Company be released in favour of the claimant by remitting it to his bank account, details whereof along with photocopy of the first page of the passbook be filed in the Registry of this Court within four weeks from today.

CM Application stands disposed of.
