Order On Board

15/05/2015

The petitioner through the instant writ petition has challenged the order of suspension and grant of substantial allowance.

The respondents have filed their reply showing the fact that the suspension order itself was revoked on 27.12.2008 and Annexure R-2 has been filed showing the fact that the petitioner has been paid the substantial allowances for the period she was under suspension.

Since the relief sought for by the petitioner has already been granted, the instant writ petition is dismissed as having become infructuous.
