Order On Board

18.09.2015

Present is a petition where the challenge is to the order dated 15.7.2011. Records shows that the Petitioner had an interim order in his favour on 10.8.2011 and by virtue of the said order, he had continued at the said place of posting.

2. In view of the fact that the Petitioner had enjoyed the benefit of the interim protection for over four years, by efflux of time, the grievance of the Petitioner stands redressed and the petition has become infructuous.

3. Accordingly, the Petition is dismissed as having become infructuous.

4. Needless to mention that since the order had been passed almost four years back, the State counsel shall not insist upon the compliance of the impugned order and the State however may have the liberty to pass a fresh order in case the need so warrants.
