Order On Board

Heard learned counsel for the parties.

1. Petitioner has preferred this writ petition under Article 226 of the Constitution of India for a direction to the respondents to decide the petitioner's case pertaining to his appointment with further prayer for allowing the petitioner to resume the duties as Gardener.

2. In the writ petition the petitioner has made a statement that he was appointed by the respondents as a Gardener in the year 2009, however, he has been removed/disengaged in December, 2013 without assigning any reason and despite requests the respondents are not reinstating him.
3. The petitioner has not filed any supporting documents by which it can be gathered that the petitioner was appointed even as a daily wager. Except for one document, which is an application dated 29-1-2014 for appointment as Gardener, there is no other document in support of the petition. In this document also, the petitioner has not mentioned as to in which department or office he has earned five years experience as Gardener.
4. The writ petition is as vague as it could be, therefore, it is not worth to entertain. Accordingly, the same is dismissed in *limine*.
