Order on Board**Per Navin Sinha, Chief Justice****09/12/2015**

1. Heard Learned Counsel for the Petitioner and the Respondents.
2. The present application has been filed for modification/clarification of the order dated 29.6.2015 in Writ Petition (C) No. 21 of 2015.
3. Learned Counsel for the Petitioner submits that this Court never intended to restrain the jurisdiction of the District Judge to consider any application for modification of the order dated 29.4.2013 passed by the latter. The observation that the obligations under the order dated 29.4.2013 being a consent order binds the parties is being misconstrued by the District Judge as an inhibition in exercise of his powers to consider any application arising from the order dated 29.4.2013.

4. Our attention was invited to the order dated 20.10.2015 passed by the District Judge in Miscellaneous Case No. 108 of 2015.

5. We are of the considered opinion that the order dated 29.6.2015 is clear and admits of no ambiguity requiring any modification/clarification. The order is conditional in nature. The application for modification/clarification is completely misconceived. If the Petitioner is aggrieved by the order dated 20.10.2015, the remedy lies in assailing it before the appropriate forum.

6. The application is dismissed.
