

3 Learned Counsel appearing for the petitioner informs that the direction in respect of making of payment has not been complied with so far as Land Acquisition Reference No.47/2002 is concerned.

4 Learned Counsel appearing for the acquiring body informs that the amount would be deposited, as expeditiously as possible, preferably by the end of May-2015.

5 If at all there is any deficiency in the amount deposited by the State or the acquiring body, it would be open for the contempt petitioner to tender appropriate application to the executing court and make a request for issuance of suitable directions.

6 In view of the above, Contempt Petition stands disposed of. Notice issued earlier stands discharged.

Civil Application No.3946 of 2015 stands disposed of.
