**CORAM : T.V. NALAWADE, J.**  
**DATED : 27th November, 2015.**

**ORDER :**

1.            The application is filed for relaxation of condition imposed by this Court in Criminal Application No. 273/2015. The condition is imposed that he should not enter the village where the complainant and other witnesses are living till the disposal of the case filed against him. The case is filed for the offences punishable under sections 306, 354, 506 etc. of Indian Penal Code.

2.            He was teasing a girl aged about 16 years. The girl used to disclose the conduct of the applicant to her relative and ultimately when the things became unbearable, she committed

suicide by jumping in to well. Thus, there is allegation that due to harassment of the present applicant, the deceased was compelled to commit suicide. As all the witnesses are living in that village, this Court imposed the aforesaid condition. There is clear possibility of tampering the prosecution witnesses.

3. The learned counsel for the applicant submitted that the father of the applicant is going under knee operation and he wants to go to village, so the condition be relaxed. It is not the case that operation will be performed in that village and so for the treatment and operation father will have to leave the village where the applicant can go. This Court holds that there is no possibility of relaxation of condition.

4. In view of the aforesaid circumstances, the application stands rejected.
