CORAM : S. V. GANGAPURWALA, J.

DATE : 22nd September, 2015

PER COURT :

1. The applicants herein had filed references under section 18 of the Land Acquisition Act. The said references are dismissed.

2. The learned counsel for the applicants submit that the applicants are agriculturists, residing in remote rural village. They were not having knowledge of the date fixed by the Court for adducing evidence. According to the learned counsel, the Advocate of the applicants did not communicate the date. According to learned counsel, one more opportunity be given to the applicant to contest the said references on merit. Agricultural land of the claimants are acquired. In some of the matters, claimants are illiterate ladies.

3. Learned AGP states that ample opportunity was given to the claimants to adduce evidence. However, the claimants failed to adduce evidence. No illegality has been committed by the Reference Court while dismissing the references.

4. I have considered the submissions.

5. From the order, it appears that the Reference Court had given opportunity to the applicants to adduce evidence but the applicants failed to adduce evidence. The matter was also being adjourned.

6. In many of the matters, I have seen that claimants are age old persons and they are agriculturists, residing in remote rural village. They only rely on advocate. There appears to be communication gap. However, it is also duty of the claimants to keep track of further proceedings. Balance will have to be struck considering the fact that source of livelihood is acquired.

7. In light of above, I am inclined to grant one more opportunity to the claimants, however by putting certain terms i.e. in case the enhancement is granted, the petitioner shall not be entitled for the statutory benefit for the delayed period.

8. In the result, I pass following order:

- i. The impugned order is quashed and set aside.
- ii. The parties shall appear before the Reference Court on 15th October, 2015.
- iii. It is made clear that if reference Court grants enhanced compensation, then the applicants would

not be entitled for the statutory benefit from the date when matter was fixed for evidence till 15th October, 2015.

- iv. Civil revisions applicants are accordingly disposed of.
- v. Copy of this order be sent to the concerned reference Court.
- vi. The applicant in CRA 193/2015 shall pay Court fees on or before 15th October, 2015. If the Court fees is not paid on or before 15th October, 2015, then the said matter shall stand dismissed.
