CORAM : N.W. SAMBRE, J.

DATE : 20th November 2015

PER COURT

Heard.

2. The application of the petitioner, claimant under Section 18 of the Land Acquisition Act for correction in the judgment delivered therein came to be rejected by an order dated 25th November 2013 on the ground that the appeal against the judgment delivered in reference is pending before this Court under Section 54 of the Land Acquisition Act.

3. I see no reason to interfere in the order impugned in the present petition, as the petitioner is always at liberty to raise said ground as regards the mistake committed by the reference Court in passing the judgment without considering the relevant material or in relation to the calculation therein.

4. The petition stands dismissed with above observations.
