DATE : APRIL 8, 2015

PC.

. An application is made for extension of protection granted by this Court by order dated 3rd March, 2015. It is submitted that advocate on record of the Supreme Court has expressed inability to move the Apex Court for the reasons stated in the letter, and therefore, further four weeks extension is sought by the Petitioner. We are unable to grant any further time since the order passed by us is self-explanatory, and we have made it clear that if no stay order is obtained within a period of four weeks, the Registrar may take steps to take possession of the property in question. Civil application is, therefore, dismissed.
