DATE : 7th DECEMBER, 2015

P.C.

1. The above Civil Application has been filed for bringing the heir of the Applicant on record and for condonation of delay of 16 days in filing the application. The delay is calculated on the basis that she acquired knowledge of the fact that she would have to bring the heir of the Applicant on record after the Respondents informed her of the same. The Applicant being the heir of the original Civil Revision Applicant, the interest of justice would be served if the delay in filing the application is condoned and she is brought on record to prosecute the above Civil

Revision Application. The Civil Application is accordingly made absolute in terms of prayer clauses (a), (b), (c) and (d). Amendment to be carried out within four weeks from date. The Civil Application is accordingly disposed of. Amendment to be served on the other side. The ad-interim stay which was operating would accordingly stand restored.
