P.C.

1 This petition seeks review of the order dtd.16th February, 2015, by which the Second Appeal preferred by the petitioner, the original defendant to challenge concurrent findings of fact and law of the courts below was dismissed. Perusal of the grounds in the Review Petition shows that none of them fit into the grounds on which an order can be reviewed. All the grounds are on appreciation of merits of the case pleaded by the parties. In that circumstance, the review petitioner needs to

challenge the order in the higher forum. Therefore, the Review Petition is dismissed.

2 In view of dismissal of the Review Petition, the Civil Application does not survive, the same is accordingly disposed off.
